

Personal Creativity

Inside the box !?

Every1's NORMAL is so *different*

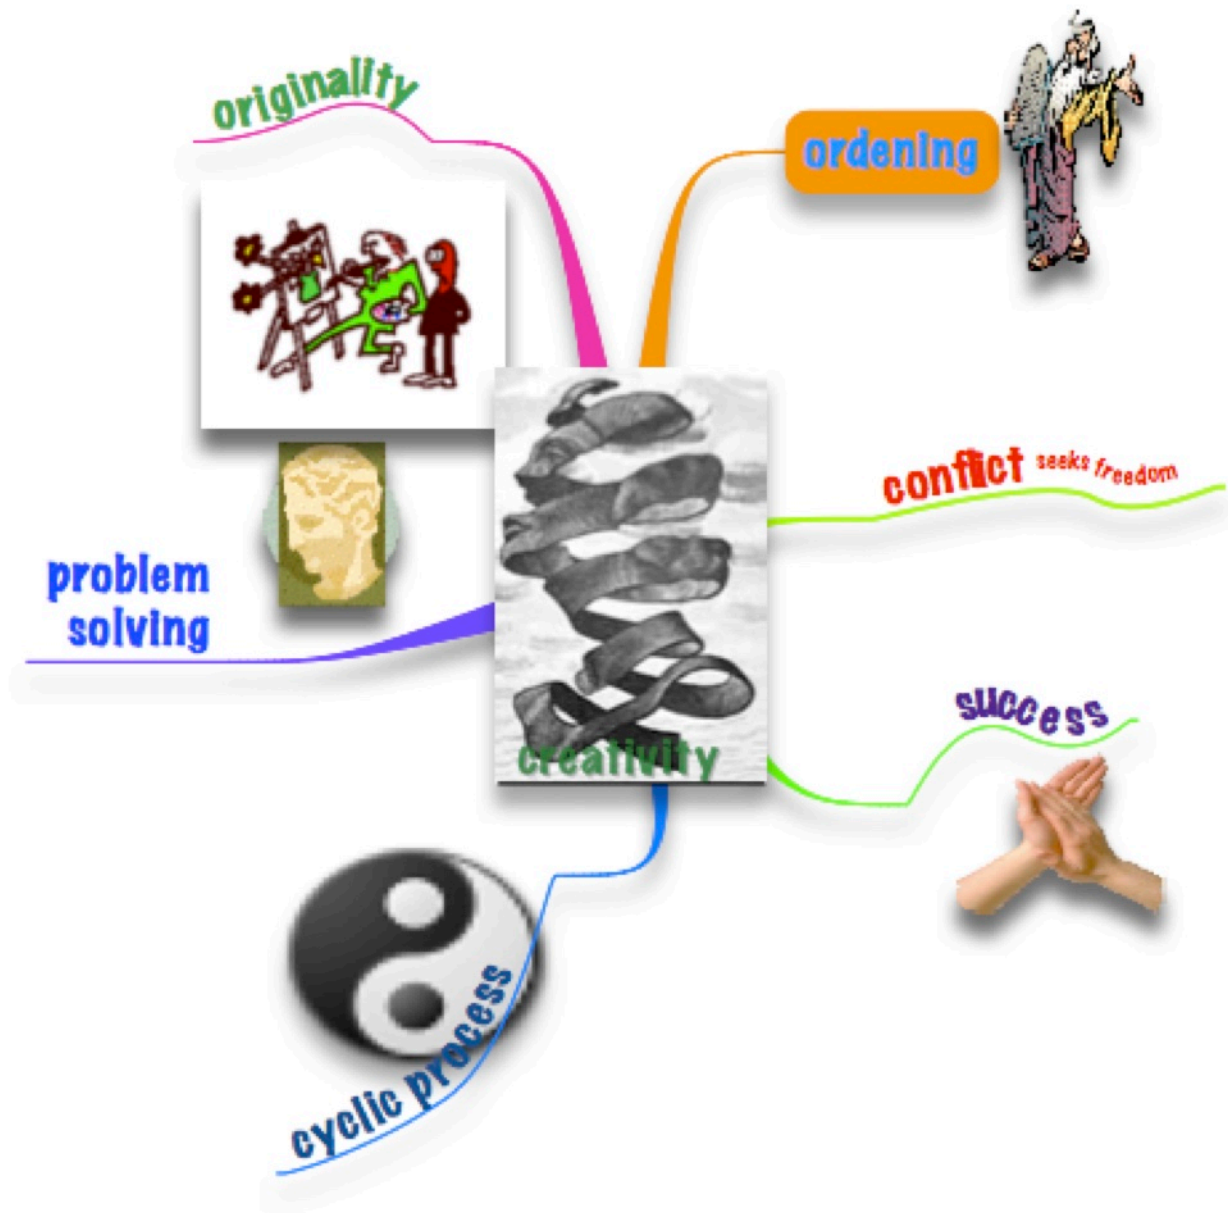

► nozzman

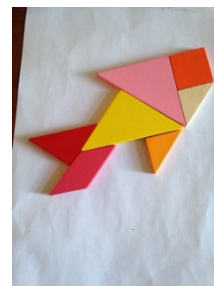

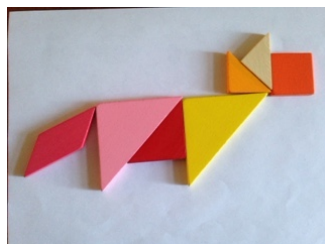

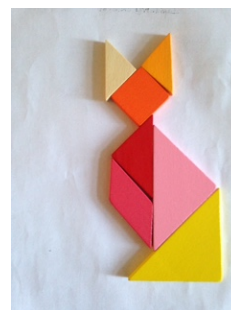

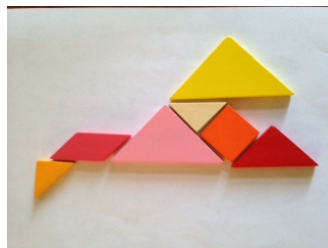

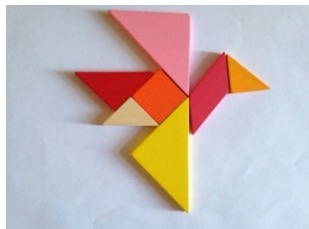

het Beste Idee van Nederland, zo'n 250.000 jaar voor Christus

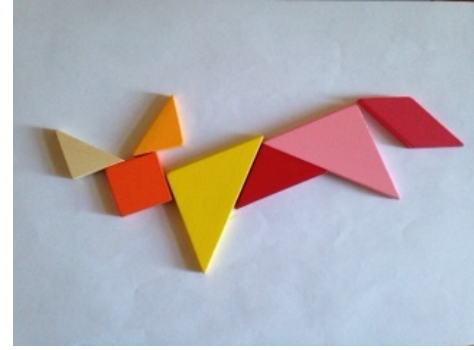

nee, sorry, ik kan er helemaal niks mee!

en je presentatie was ook kut!

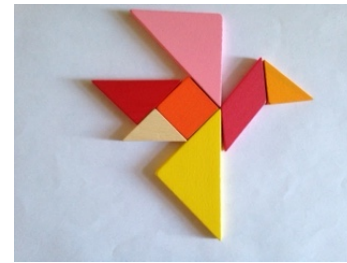

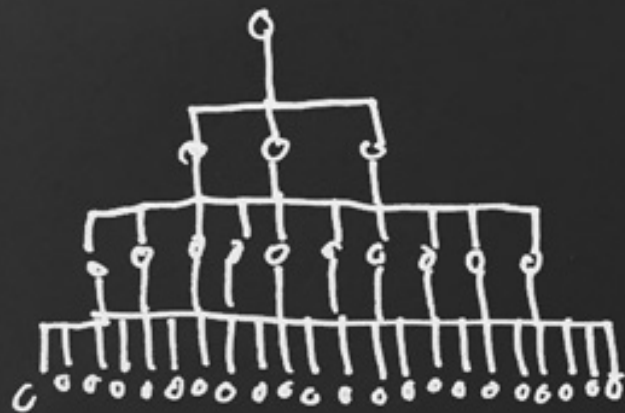

Tjalke Bouma

KLEON

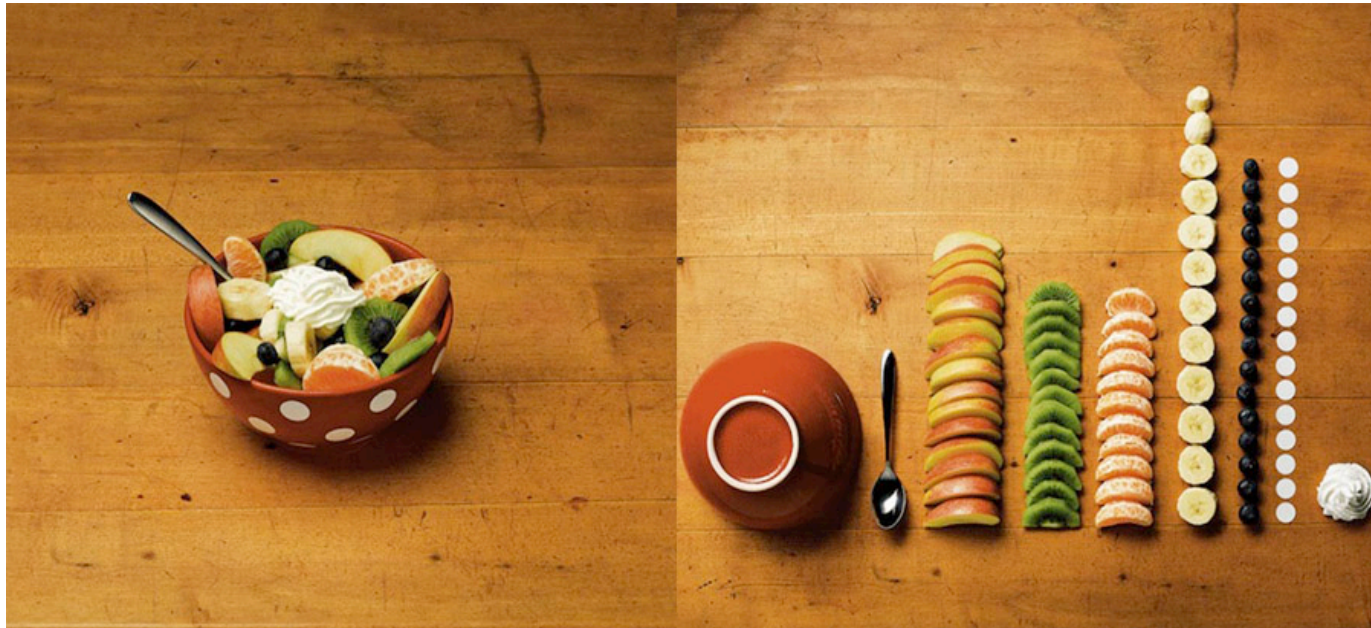

The best way to verify
if you are still alive
is to check if you love *variation*.

Remember that food would not taste well without hunger;
results mean nothing without **exertion**, **joy** nothing without
sadness, **convictions** nothing without **uncertainty** and there
is no **ethical life** possible without **personal risks**.

N.N. Taleb: Antifragile: things that gain from disorder

http://en.wikipedia.org/wiki/Ursus_Wehrli

you cannot separate knowledge from contact with the ground. Actually, you cannot separate anything from contact with the ground. And the contact with the real world is done via *skin in the game* –have an exposure to the real world
